DAVID STOVALL

Director 2018-2020

Rotary International
Zones 33-34

The Rotary Club of Hall County, GA USA
District 6910

David retired from commercial banking in 2011, after a 32 year career, 22 of which were served as President and CEO of a national market NASD bank holding company. He then launched a new career as a commercial real estate broker. Kim is a career residential real estate broker in Northeast Georgia.

David has held a vast array of responsibilities in his district and in Zones 33 & 34 over the past two decades, and is currently the Rotary International Director for 2018-2020 in Zones 33 & 34. Kim is a Past District Governor of Rotary International District 6910 in North Georgia.

David and Kim enjoy much commonality in their marriage. Aside from their mutual passion for both Rotary and real estate brokerage, they are both instrument rated pilots in both land and sea categories, and enjoy cooking, hiking, tennis, and boating together.

As humanitarians who enjoy putting back into their endeavors, David and Kim are Level Three Major Donors of The Rotary Foundation, as well as Level Three Bequest Society Members of The Rotary Foundation.

David has received the Four Avenues of Service Award for Individual Rotarians, and has received both the Citation for Meritorious Service and the Distinguished Service Award of The Rotary Foundation, its two highest awards to individual Rotarians.

ROTARY DISTRICT 6910 PRIORITIES FOR 2019-2020

RI President Mark Maloney has given us a remarkable, and accurate, theme for 2019-2020: **"Rotary Connects the World,"** which works in perfect concert with Rotary's New Vision statement. **"Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."**

My position when I interviewed for District Governor in 2016, and today, is that the best way to support RI's Vision and goals is to build strong Rotary Clubs full of well informed, motivated Rotarians. I pledge to make all the resources of Rotary—at every level—available to support our Clubs so that each of you can experience the best possible Rotary year.

1 Priority & Goal

- **Clubs Will End The Year As Stronger, Better, and More Connected Clubs.**

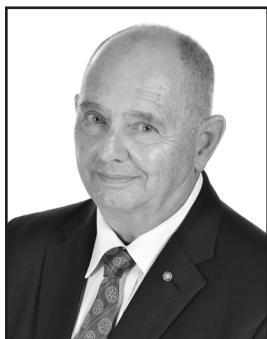

Supporting Priorities & Goals

- **Rotary Communities Will Be Better Served By Our Rotary Clubs.**
- **Clubs Will Experience Net Membership Growth.**
- **Clubs Will Have An Increase In Foundation Giving.**
- **Club Public Image Activities Will Create a Better Understanding of Rotary.**
- **Clubs Will Qualify for Some Level of District, Zone or RI Recognition.**
- **Clubs Will Participate in World Polio Day & 10 Million Meal Activities.**
- **Clubs Will Support and Participate In The 2020 District Conference -aka " Rotary Family Vacation."**

If you review each supporting goal separately you can see that "any" club could achieve "any" of the goals. It is not such a stretch then, to believe that "all" clubs could achieve "all" of them. If we work towards these goals together, there is no doubt that next Spring we will be celebrating the success of 73 (or more) vibrant Rotary Clubs forming one of the strongest and most effective Districts in the Rotary world.

**Overarching Guidance from the District Governor:
Go Forth and Do Great Things – and Have Fun Doing It.**

**The FOUR-WAY Test
Of the things we think, say or do**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

THIRD. The application of the ideal of service by every Rotarian to his personal, business, and community life;

FOURTH. The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service.

2019-2020 GEORGIA ROTARY STUDENT PROGRAM

Through the generosity of Georgia Rotarians we are able to offer our friendship to young men and women from other countries in the interest of understanding, not merely being understood. While these young people consider themselves "ambassadors" of their countries, we Rotarians of Georgia are the examples by which they judge the United States. Being conscious of our responsibilities, we ourselves become better citizens of our own country. As is always the case, in the application of "Service Above Self", the giver benefits as does the receiver.

There is not another program like it in Rotary today. Since 1946, Georgia Rotarians have funded these scholarships, and to date there have been approximately 3600 alumni of GRSP.

Our plan provides that the scholarship will cover the cost of tuition, books, room and meals. The scholarship does not provide any funds for travel within the country, transportation to and from the student's home country, or medical insurance. The scholarship is for one academic year. About 45 scholarships are awarded each year to students who are academically able to enter a college or university for undergraduate work. The program does not contemplate any "exchange" of these students and there is no obligation on the part of other countries to reciprocate and offer scholarships to students from Georgia.

ALLIANCE FOR SMILES...because every child deserves a smile

All over the world children born with cleft lip and palate anomalies suffer physically and emotionally. They commonly endure isolation and ridicule. Sometimes they are abused, abandoned or killed. Access to surgical care is usually scarce or unaffordable. Alliance for Smiles offers children and families with cleft anomalies hope for a bright future. We work to repair children's broken smiles by providing free, comprehensive cleft treatment, in under-served areas of the world – transforming their lives forever. This is your club's opportunity to work with other Rotarians on an International project that will change the life of a child forever.

HANWASH

The HANWASH team has the goal of creating access to safely managed water for everyone in Haiti. To accomplish this task requires establishing a framework of Accountability, Responsibility, and Transparency that works to enroll partners and create technically sound, revenue positive, safely managed infrastructure. The first step in achieving this has been to engage Haiti Outreach to create the FRAPE survey and the Commune Action Plans (CAP) for each of the 4 target communes. HANWASH continues its regular dialog with the Haitian Government's WASH Agency, DINEPA, and is working hand in hand with them on four pilot projects they proposed in the Communes of Cavaillon, Ferrier, Terre Neuve, and Croix des Bouquets.
